

CONSTRUCTION TRADES, GENERAL APPRENTICESHIP, AAS

Program Codes: AAS.CONSTRUCTPB, AAS.CONSTRUCTPT

Trades: Plumbers, Painters

6000-8000 BOLI-ATD Trades

Registered Apprenticeship in the construction trades or occupations is a method of career and technical related training leading to certification and journey-level status.

This is a limited-entry program for registered apprentices who are sponsored by individual employers, accepted by a Joint Apprenticeship and Training Committee (JATC) and registered with the State of Oregon Bureau of Labor & Industries (BOLI).

Clackamas Community College offers three state-wide Apprenticeship degrees and their stackable Certificates of Completion and Career Pathway Certificates of Completion. These parent degrees are: [Electrician Apprenticeship Technologies AAS](#), [Construction Trades General Apprenticeship AAS \(p. 1\)](#), and [Industrial Mechanics and Maintenance Technology Apprenticeship AAS](#). These degrees do not guarantee licensure.

This program is articulated with Oregon Institute of Technology (OIT), which requires a higher-level math course than is required for the program. Contact an Apprenticeship Advisor at CCC for help with transfer to OIT.

Electricians and plumbers require state licensure. Related training courses meet industry standards and are offered through a partnership between the Oregon State Apprenticeship & Training Council and the local Joint Apprenticeship & Training Committee.

For more information visit the [Apprenticeship webpage](#), or contact an Apprenticeship Advisor at 503-594-0959 or apprenticeship.advising@clackamas.edu.
