

BUSINESS

Create the foundation for a successful management career or become an entrepreneur by studying business at Clackamas Community College. CCC's business programs prepare you to effectively manage money, projects and people.

Get the best possible start toward your goals at CCC, with small class sizes and experienced faculty ready to connect you to your next career and learning opportunities. The Business educational focus area at CCC opens doors to jobs in fields like human resources, project management and accounting. The skills you learn here will prepare you to work for companies in almost any industry - or even to start your own business. Get started today!
